WINTER CARNIVAL
The Forrest Division Interschool Winter Carnival is on Friday August 14 at the Leschenault Leisure Centre. We have teams participating in Netball, AFL Football and Soccer. If you are available I invite and encourage you to come on down to support our teams.

SCHOOL PHOTOGRAPHS
School photo day is Wednesday 19 August 2015. Please refer to the Kapture Photography flyer on page three of this newsletter. It is important to read all accompanying information carefully. Please have your children in school uniform for photographs. Thank you.

YEAR 2/3 CLASS ASSEMBLY
Please join us on Friday 21 August at 2:00pm for our next assembly hosted by our marvellous year 2/3 class. They have been very excited during the build up to their assembly and we look forward to sharing the event with them. Don’t forget to remind your children to wear their Clifton Gold, Silver or Bronze medallions to assembly if they have them. We would like to see them proudly worn at all significant school events.

STUDENT LEADERS’ LUNCH
Our student leaders (councillors and sports leaders) work very hard for their school and regularly do a fantastic job. Every year, as a token of our appreciation for the role that they play, and in recognition of their many hours of service to their school (often in their own time), our admin staff put on a breakfast or lunch for them. This Monday we put on a healthy and scrumptious lunch that they all enjoyed. Thanks Mrs Van Wyk for coordinating this lovely lunch.

SETAGAYA 2015
The Bunbury Setagaya Sister Cities Committee has once again selected students from the greater Bunbury region to travel to our Sister City Setagaya, Japan, in October this year. This is a rigorous selection process as the selected students will be young ambassadors of Bunbury and their schools. Our school has had a number of successful students in the past and I am delighted to announce that Gareth Edwards of Year 6 has joined this group. On behalf of us all I extend my congratulations to Gareth and wish him all the best in his upcoming experience. Gareth will represent us well and with pride.

WELL DONE TO ALL DRIVERS
I would like to take this opportunity to compliment you on the way you are using the driveways and parking bays around our school. The vast majority of you are doing all the things necessary for the safety of everyone, such as: driving slowly on the driveways, using courtesy, watching carefully, parking well and using the ‘kiss and drop’ correctly. On behalf of the school, I thank you.
MISPLACED CLOTHING
I am amazed at how many school jumpers and other odds and ends there are in the lost property at the moment. Many of these will be able to be delivered back to your children provided they have their names on them. As of Monday we had 20 school fleece jumpers (the 7 with names on them have been returned), 14 plain navy blue jumpers, 4 navy blue jackets, 13 water bottles, 5 hats and (curiously) 1 ‘mum is awesome’ singlet.

LUNCH ORDERS (REPEAT)
As of Week 3 lunch orders have changed. Croissant Express is still continuing with lunches, however only on Thursdays and Fridays now and we are pleased to welcome Mell Billy’s Bakery which is offering lunch orders on Mondays, Tuesdays and Wednesdays only. A new menu has been sent home with students today and can be found on the school webpage, as well as the Skoolbag app.

VOCABULARY
Vocabulary is a significant element of writing and one area that schools are finding students are struggling more and more with. This may be due to the fact that with the greater use of electronic communication there is less oral discussion taking place between people. The reading of books is a wonderful way to expose children to vocabulary. They will discover words they are familiar with as well as a wonderful range of new vocabulary being used by the author to create powerful images in their minds. Talking about the author’s use of vocabulary and the meaning of unfamiliar words will heighten children’s awareness of words as well as expand their own personal vocabulary bank. Another idea to increase a child’s vocabulary is suggested below.

Start a vocabulary notebook.

Teach your child new words each week and encourage your child to use them. Make it into a game and give points for using the new words. Your child can keep a vocabulary notebook and get acknowledged for the number of new words learned. The words will begin to appear like magic in their oral language and writing.

Dear Healthy Elfie,

I seem to be constantly nagging my 9 year old twins not to sit so close or wrestle on the floor near the gas heater or tile fire as their sleepwear could catch on fire.

I do worry about fire safety, especially during the winter months and was wondering if you have any winter safety tips to assist in keeping our family safe when the weather gets chilly.

Yours sincerely,
Zavier Home

Dear Mr Home,

It is very dangerous for your twins to sit too close to fire appliances of any description as it is very easy for many fabrics to catch alight. It is a good topic to bring to my attention as the school is currently doing Safety as its Health Theme this term. I will ask the teachers to cover this topic and that may help instead of the twins thinking you are just nagging them.

For you, as a parent, it is important when choosing sleepwear to look for the Low Fire Danger label and avoid buying sleepwear and clothing with the High Fire Danger label. Do not choose fabrics which are fluffy, fuzzy or have loose dangling tassels or are lightweight.

If your child's clothing does catch on fire: STOP, DROP, COVER face and ROLL.

The following are some other very handy tips for keeping households safe during winter:

- Use guards around fires, radiators and heaters if you have young children
- Ensure chimney flues are cleaned at the end of winter
- Install smoke alarms and regularly check they are working
- Make sure everyone knows how to safely exit your home if there is a fire
- Keep curtains, tablecloths and bedding away from portable heaters
- Keep wet clothing at least one metre from heaters or fireplaces and never leave unattended
- Clean lint filter every time before use of a clothes dryer
- Check electric blankets for damage or frayed cords and never leave them on when no-one is home
- Only use one appliance per power point and switch off when not in use
- Keep candles at least a metre away from flammable materials and always extinguish them when unattended.
