We are coming to the end of another term; a term that has been full of learning and many interesting events for the Clifton Park community including Incursions, Book Week, Excursions, School Photos, Winter Carnival, Father’s Day Stall and Open Night. I wish to thank all members of the school staff, School P & C and School Council who have supported me throughout this term as I have taken on the role of Principal. It has been a pleasure and delight to lead this wonderful school. I wish you all a very happy term break and I look forward to continuing to work at supporting the learning of all students in the school as Deputy Principal in Term 4 when Mr Gates will return from leave.

SCHOOL OPEN NIGHT
What a wonderful celebration of learning took place on Thursday 1 September when the school hosted the annual Open Night! Our school was full of excited students and supportive family members, with a 93% attendance rate. The students eagerly showed their work and talked about their learning. It is also always wonderful to catch up with past students who take the opportunity to come and say hello to their former teachers. The rooms and corridor looked fantastic and there were many other displays to view. Thank you to all the staff and students for all the hard work that went into preparing for the event. Mrs Garton announced the winners of the Photographic Competition. (See details further in newsletter) before the night finished off with three songs being superbly sung by the school choir. Thank you to Mrs Kaitani for preparing the choir, who performed with excellence and joy. Special acknowledgement goes to the Lawson family who, with the support of the P&C, cooked and served 300 sausages. What an incredible effort and a super sausage sizzle!

PHOTOGRAPHIC COMPETITION
The student response to the Photographic Competition that Mrs Garton organised as part of this year’s Book Week celebration was wonderful. All photos submitted were full of meaning and memories for the students and their families and all entrants should be proud of their efforts. After a viewers’ voting process, the winners of the competition were:

- Katie Year 3, for - Student-taken Australian Environment
- Seth Year 3, for - Family Albums for Family History

Congratulations to both these students. Their photos were amazing and fun. Thank you Mrs Garton for running this very successful competition.

SPECIALIST ASSEMBLY
Last Friday those who attended the Specialist Assembly were entertained with all Year 1 – 6 students performing in either a Japanese or Music item. The range of items and skill level at which they were performed are testament to Mrs Kaitani and the work she does in these two learning areas. Her hard work and the support she received allowed the talented students to demonstrate the skills they are working on each week in class. We are fortunate to have such a creative and enthusiastic staff member teaching these skills to our students.
SWIMMING LESSONS
Swimming lessons commenced this week and all is running smoothly. Here are a few reminders:
- Students are required to wear normal school footwear to school, however they will be allowed to wear thongs or slip-on footwear to and from the pool. This is for the safety of the students.
- There will be NO Friday lunch orders for the two weeks swimming lessons are being conducted.
- Some students will be eating their recess and lunch food at differing times to what is normal. You may like to consider packing slightly more recess food to tide them over until lunch. Swimming can use up a lot of energy.
- Parents you are welcome to come to LLC and watch your children.

PLEASE NOTE: There will be NO Friday lunch orders for the two weeks while swimming lessons are being conducted.

SCHOOLS ARE NON SMOKING AREAS
Remember that school premises are strictly non-smoking. Please refrain from smoking whenever on the school grounds.

SCHOOL CHAPLAIN
As mentioned in the last newsletter our new school chaplain, Mrs Sue McDonald, commenced work on Thursday 1 September. Sue works at our school every Thursday. As a parent, you are welcome to avail yourself of this service. If you would like to make an appointment with Sue, please speak to her directly on a Thursday or leave a message at the school office. Sue will then organise a time to meet with you.

TERM 4 SCHOOL DEVELOPMENT DAYS
Please take note and start making necessary plans for the TWO School Development Days that are taking place next term. These days are used for the staff to receive professional learning and for whole staff involvement in planning for 2017.
- Students do not attend school on:
  - Week 1: Monday 10 October
  - Week 3: Monday 24 October.

We are aware that these days have the potential to cause some significant disruptions to your schedules hence the timely advice.

STUDENT LEADERS
The Term 3 Student Councillors will be finishing next week and, on behalf of the school, I would like to sincerely thank Zarah Schluter and Seth Russell for the great job that they have done for our school. I know that they really enjoyed the leadership opportunity and learned much about how to go about it. Welcome to our Term 4 Councillors, Isabella Ferrari and Beau Depiazzi, I am confident that they will serve their school well and that they will also learn more about leadership.

SCHOOL AWARDS AND GRADUATION ASSEMBLY (REPEAT)
Please mark in your diaries the date for this very important event in the school calendar. This will take place in Week 10, Term 4 on Tuesday 13 December. This will be a morning event commencing at 9:00am.

PLANNING FOR 2017 — IMPORTANT INFORMATION (REPEAT)
Planning for 2017 is underway at our school and we are at the stage of gathering information in regards to student numbers and staffing. To help us plan we need to know about the intentions of parents. If you already know that your child will not be returning to Clifton Park Primary School in 2017 can you please contact the office to let us know. This will enable us to more accurately work out class sizes and funding for next year.

Social and Emotional Focus

Each fortnight you will see a poster in the classrooms and around the school. In 2016 the school has raised the awareness of social and emotional literacy by focusing on resilience. Keep an eye out for this fortnight’s poster.

Active Bodies – Positive Minds at Clifton Park Primary School

Our school has been successful in its application for a ‘Sporting Schools Grant’ and has the support of WA Triathlon in providing a unique experience in the school’s physical education curriculum. Students in Year 4, 5 and 6 classes are participating in a specialist Triathlon Program on Friday mornings, delivered by local Junior Triathlon Coach, Cory van Dijk. The students will have 6 sessions covering the three disciplines of a triathlon (running, cycling and swimming).

In Term 4 the program will culminate with:

Stage 1 - Triathlon Event - Week 1, Friday October 14
Swimming and transition to bike.

Stage 2 - Triathlon Event - Week 3, Friday October 28
Cycle and Run.

If you have an interest in this sport, or are just a supportive school community member, we would be keen for your assistance as these events require considerable adult supervision.

If you are interested in volunteering and/or require further information please contact the school on 9725 2400 or contact Peta.Vanwyk@education.wa.edu.au
The lost thing

One day a little girl was walking to the park. She loves going to the park. One day she saw a pink thing. She walked over to it. It smiled at her. She nationals that it had a walking stick. She said ‘Are you ok?’ it said yes! In a growling way. She took it home. She love it and it loved her too. After 5 years it died. She was so sad she made a model of it and keep it safe.

Start your own worm farm on Friday 16\textsuperscript{th} September.

The Year Four class will be selling worms and worm juice from 8:00am until 8:30am at the front of our school.

Exciting creatures, recycling waste, makes superb fertiliser and only
$6 for a container of worms.

or

Buy worm juice at only $3:00 a container to give your plants a boost of nutrients.

See you worm lovers there!
Just mucking around is good for you

Life can be stressful for adults and kids too, and everyone benefits from a rest now and then. These days many people have forgotten the art of ‘just mucking around’. It means not doing anything in particular, not being organised or structured.

It can seem like a waste of time, but it’s one of the healthiest thing you can do, especially as a family. Hanging around, laughing over silly things, just watching the clouds go by is relaxing and refreshing. It helps your mind turn off for a while and it lets your body relax.

What you can do NOW

- Resist the urge to tell kids to keep busy
- Show the way by taking time out and enjoying yourself rather than always trying to get things done
- Stock up on board games suitable for the whole family to play

VOLUNTEER NEEDED FOR THE SCHOLASTIC BOOK CLUB CO-ORDINATOR
Scholastic has partnered with Australian schools for over 45 years to instil a love of reading in children. They have provided millions of opportunities for children to access quality, age-appropriate books and safely choose their own independent reading material, thereby supporting our teachers’ efforts to foster literacy through a love of books, a desire to learn and the joy of reading for pleasure.

We are looking for your help, it’s easy-

Role:
- Distribute Pamphlets to each class twice a term
- Order books twice a term
- Distribute books twice a term
- Co-ordinate the Scholastic Book Fair twice a year

Jodie Harkness, the current co-ordinator, is happy to do a thorough hand over. Please phone the school on 9725 2400 if you are interested and arrangements can be made.

Thank you Jodie Harkness, we have really appreciated the work you have done as the book club coordinator.

FUNDRAISING OPPORTUNITY
CPPS P&C has the opportunity to obtain a series of donations from the ANZ Bank.

If you know anyone who is arranging a home loan through the ANZ Australind bank, they only have to tell the bank that they have a connection to our P&C and we can earn 0.5% of the loan, that’s $500 per $100,000. The connection can be anyone who just knows of our P&C, they don’t even need to have children at our school.

Our P&C bank with the ANZ Australind and they also support our children by providing the service of students’ school banking. Spread the news!!
