### FAMILIES LEAVING

With the students graduating or leaving, we often see the last of their families at the school as well, and sometimes this can be the end of a long partnership with the school. To those families, we have valued your contributions over the time you have been here at our wonderful and unique school. Best wishes and thanks from Clifton Park Primary.

## Congratulations Clifton Park Primary School

CPPS has added gold to our bronze and silver status at the School Drug Education and Road Aware (SDERA) Awards recently.

These awards are in recognition of the implementation of a whole school health program to achieve better health and wellbeing outcomes for their school communities.

Parents play a significant role in the development and support of school health and wellbeing programs. Research indicates that engagement of parents in their child's school life, including health initiatives, makes it more likely that unhealthy behaviours will be avoided as they grow older.

The graduating Class of 2018  
will present Clifton Park Primary School  
with a 'Street Library' that serves as a reminder in  
the years to come of their time at the school.  
The students will assist in the decorating  
of the 'house' and a plaque with the inscription,  
'Donated by the Graduating Class of 2018 and CPPS P&C'
