Term 3

22 July – 25 September

Term 4

13 October – 17 December

Semester One Student Reporting

In recognition of the disruption to teaching and learning that has occurred in Semester One, the Department of Education has confirmed that schools are not required to report on student achievement using a 5-point A-E scale for this semester only. This means that Clifton Park Primary School has a modified plan for reporting in Semester One which has been developed in consultation with our School Council. For more information about our Reporting for Semester One, please see the full letter on Skoolbag.

School Development Days – Monday 20th and Tuesday 21st July

The Department of Education also announced that schools are able to re-schedule a School Development Day in lieu of the 28th April, in consultation with the School Council. Clifton Park PS will now have two School Development Days at the beginning of Term Three, meaning that students will resume on Wednesday 22nd July.

Parent Survey

We had approximately 60% of our families respond to our recent Parent Survey, which is a fantastic response. This has given us exceptional data to use as we continue to improve. It was really pleasing to see the following results:

99%

of respondents **agree** or **strongly agree** that the school looks for ways to improve.

96%

of respondents **agree** or **strongly agree** that the school provides rationale behind decisions that have impacts on students.

96%

of respondents **agree** or **strongly agree** that they feel well informed about the activities of this school.

67%

of respondents **agree** or **strongly agree** that they understand the role of the School Council and how they support them as a parent.

76%

of respondents **disagree** or **strongly disagree** that they would prefer the newsletter in paper form.

80%

of respondents **agree** or **strongly agree** that our facilities and resources enable our school to provide contemporary learning experiences.

I look forward to looking deeper into these survey results with the School Council over the coming weeks as we prepare for our Independent Public School selection process.

Ongoing COVID-19 Response

We continue to have a range of strategies in place at school to ensure our school is a safe and healthy learning environment for our students, and a safe work environment for our staff. I would like to sincerely thank our community for their ongoing support as we follow through on guidelines and implement operational procedures that need to be in place.

Cathy Allen
PRINCIPAL

Positive Behaviour Support (PBS) - G.R.O.W

Over the COVID months, we have some items which we have continued to work on and are now ready to launch with our community. One of them is the graphics for our GROW Behaviour Expectations. All families will have seen a copy of this come home with the GROW@home packages. You will start to see these around the school when parents return on site.

Whole School Reading Program

Reading Incentive Levels

Days of Reading

25 days	Sticker
50 days	Prize 1
75 days	Sticker
100 days	Prize 2
125 days	Sticker
150 days	Prize 3
175 days	Sticker
200 days	Book + Certificate

Whilst away from school for numerous weeks many families continued to diligently log each child's reading in their reading journal. I have enjoyed catching up with students as we celebrate every 25 days of reading. Not only does each student receive their acknowledgements, we get to chat about what books they have been reading. Getting back into the habit of reading (and filling in the Reading Journal) almost every day is part of being back at school and a great habit to have.

Happy Reading
Mrs Jolliffe

Dental Screening

Glen Huon Dental Therapy Staff will be conducting Dental Health Screening on **Friday 26th June at the school**. This screening involves **Pre-Primary, Year 3 & Year 6** registered students and is a Dental Growth & Development Assessment. This is not a check-up for cavities. This short screening will take place at school and parents do not need to be present. Any follow up appointments will be arranged by the Glen Huon Dental Therapy Centre. Any concerns please contact the Glen Huon Dental Therapy Centre Phone: 97250144 or Email: glenhuondtc@dental.health.wa.gov.au
