WELCOME BACK

We had a very smooth start to the term with all students settling back quickly into the school routines.

Thank you parents for your support with that.

It is going to be another busy term with Student Reports as well as NAPLAN tests, the interschool cross country, bookfair, two assemblies and the many other happenings associated with school these days.

I would like to take this opportunity to thank the marvellous work done by the hard working P&C members in Term 1. They have supported the school in purchasing resources, have provided money to help set up our Sensory Room and they assisted in the funding of the Year 6 camp. They also offered fantastic service at the Faction Carnival, at assemblies, assisted with the Anzac wreaths and coordinated the Easter raffle. We really appreciate their efforts and support.

NAPLAN

The national tests for years 3 and 5 will be conducted from Tuesday May 9 to Thursday May 11 this year. There may be an opportunity to do catch-up tests on Friday if students are absent.

TERM PLANNER

A copy of the Term 2 Planner is included in this newsletter, it can also be found on the webpage and skoolbag app. Please place it in a handy position for future reference.

STUDENT COUNCILLORS

Last term's councillors Arabella Wiles-Day and Todd

Warren did a great job and it is now time for our second term councillors to step up as leaders within the school. We wish to congratulate and welcome Jessica Xie and Alex Davis to the school student leadership team and wish them all the best in their roles.

LUNCH ORDERS

Kiwi Kai, located in the old Deli, are offering to provide a lunch order service for students. This service will be available Monday and Wednesdays each week starting next Monday, 8 May. The system will be the same as for the Central Lunch Bar who will continue on Fridays; however there will be different bags for the students to fill in. The menu can be found later in this newsletter. On behalf of us all I'd like to thank Lorrise from Kiwi Kai for making this available for our school community.

FATHERING PROJECT

(Please see the flyer in this newsletter for more information)

The P&C has organised a Dad's/Father figure get together and information session on Monday 15 May at 6pm in the undercover area. This is under the *Fathering Project* umbrella and is a great opportunity to see how you can be an effective (or Champion) dad. Come along dads and enjoy a sausage sizzle, a chat and an informal presentation from Paul Valentino.

GIVE A CAN GIVE A DAMN

As part of "Give A Damn, Give A Can" campaign we have a collection box in the school office. If you are able to send along some cans to support this worthwhile charity we are happy to collect them and pass them on.

ANZAC ASSEMBLY

- **School Assembly:** The school service was another wonderful and poignant tribute to our past and present service personnel. All students, community members and staff that had a part to play did so with respect, grace and expertise contributing to a meaningful and fitting event. Once again our community came to the fore by donating flowers, making the wreaths or by simply attending, so many thanks to you. The guest speaker, student readers, staff readers, choir, trumpet player and displays were all done extremely well, whilst our student leaders hosted it all confidently and respectfully.
- **ANZAC Day Parade:** A group of students, parents, grandparents and staff members marched in the City of Bunbury Parade on ANZAC day and represented the school with pride and respect. Head Boy, Nate Wilson and Head Girl, Taleena Watts laid a wreath on behalf of the school.

INTERSCHOOL ATHLETICS

The interschool athletics was held on the last Tuesday of term 1. Once again our students did us proud with their efforts and represented their school with pride both on and off the track. Thank you to the staff coaches, those that performed duties on the day and to the many parents who turned up to support our athletes.

Our school won the Small Schools Champion Shield this year which is a fantastic achievement. Congratulations to Riley Edwards (Yr 2 boys), Tom Ward (Yr 4 boys) for being presented champion boys in their year level.

STUDENT BANKING

A representative from the ANZ Bank, Australind will be in the school corridor between 8:30am and 8:50am to assist with your child's banking. Term 2 dates are Thursday May 18 and Thursday June 22. These dates are on the term planner. This is a meaningful way to teach your child to save by banking at the school every month. New customers are welcome. For more information please contact ANZ Australind Branch. Ph: 6164 2303.

HOME READING

How is the school's 2017 Home Reading system working for you?

Throughout Term 1 many students have excitedly come to my office with their Home Reading Journal in hand. They are visiting me to celebrate one of the levels of achievement that is part of the school's 2017 Home Reading focus. I'm currently having visits from some who have read up to 75 days this year! However many days your child has read is fantastic and cause for celebration. Families manage this reading in a different ways. The important thing is that every family commits to ensuring that reading takes place on a regular basis. If you need more ideas on how to make this work in your home, please speak to the teacher.

Just a reminder - Adults, please do not forget to sign or comment in the journal at least once a week.

Social and Emotional Focus

In 2017 the school has raised the awareness of social and emotional literacy by focusing on resilience.

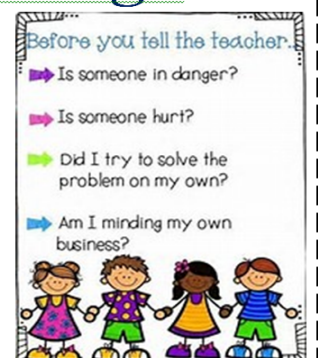

Each fortnight you will see a poster in the classrooms and around the school.

Keep an eye out for this fortnight's poster.

Living the 7 Habits Telling or Dobbing?

* I TELL an adult in order to protect a person and to help stop bad behaviour

* When I DOB, it is just trying to get someone in trouble

Habit 1: Be Proactive - I am a responsible person. I choose actions that prevent bad situations from getting worse
Habit 4: Think Win Win - I strive to achieve the best result for all involved, even when people are in conflict with each other
Habit 8: The Leader In Me - I do the right thing, even when no-one is watching
